

QUALITY POLICY

The management of **ISOGOM SISTEMAS S.L.**, a company dedicated to the transformation by extrusion of plastics and rubbers, following the policy of continuous improvement, has decided to implement a Quality Management System based on **UNE-EN ISO 9001:2015** standard of recognized prestige.

Based on robust, operational and unifying processes, ISOGOM seeks to achieve three primary objectives: **SERIOUSNESS, QUALITY AND SERVICE.**

The Management of ISOGOM, on behalf of the entire company, undertakes to:

- Focus its management towards the satisfaction and loyalty of our customers and all interested parties, delivering their products in agreed quality conditions and decreasing the value of Nonconformities year after year.
- Ensure traceability of manufactured products and quality control in all productions.
- Facilitate the integration and training of our employees ensure the efficiency of the organization.
- Comply with customer, legal and regulatory requirements applicable to the product.
- Promote continuous improvement through the analysis of the deviations detected in all its processes.

I encourage every ISOGOM employees to participate actively in the day to day implementation of the Quality Management System as a real opportunity to improve his/her own professional practices.

This Policy is systematically reviewed once a year during the Management Review for continuing suitability.
